Congratulation Sheena! You are the winner of my cough challenge as you were the first to submit the Mara Clara video from Jeepney TV, and you also contacted me through my FB and IG, as well as through the ABS CBN News FB. Thank you very much for your determination and I hope you will use the P5,000 wisely for your studies. Do send me your bank details or Gcash number so I can transfer your prize by tomorrow. Congratulations again!

Magandang hapon po ulit, Ma'am!
Gusto ko po sanang magpasalamat sa ibinigay niyo sa'kin, ngunit hindi lang iyon ang ipinagpasalamat ko kundi pati na rin ang inyong paninindigan na magbigay ng pera sa makapagpakita sa inyo ng scene sa teleserye na umuubo.
Nakakatuwa at nakakatawa man po itong isipin na sa ganoong paraan ako nakatanggap ng pera, pero malaking bagay na po ito sa aking pag-aaral. Lalong lalo na po ngayon dahil ako'y nag-iipon para makabili ng bagong cellphone na gagamitin sa pag-aaral.

Masaya po akong nakapagpasaya ako ng maraming tao kahit sa konting panahon lamang.
Maraming salamat po talaga ma'am. Pangako pong mag-aaral ako nang mabuti at hindi ko bibiguin ang aking mga mahal sa buhay.
Padayon at God bless po!

Sa pamilya, mga mahal sa buhay, at sa lahat ng sumusuporta kay Alicia “Mima Alicia” Lipata, taos-puso akong nakikiramay. Alam kong masakit ang mawalan ng kamag-anak at kaibigan, lalo na’t kinitil ang buhay sa marahas na paraan.

Malaki ang pasalamat ko sa kanya. Malaki ang ambag ng kanyang matapang at mahalagang boses sa aking kampanya noong 2025. Nanindigan siya kahit alam niyang hindi iyon laging madali o popular. Hindi siya natakot magsalita, magtanong, at manindigan sa tingin niyang tama. Ipinakita niya na buháy ang demokrasya sa mga ordinaryong Pilipino na handang makilahok, magpahayag ng saloobin, at managot sa kinabukasan ng ating bansa.

Hindi dapat matapos ang pagpatay sa kanya sa pagdadalamhati lamang. Dapat lumabas ang buong katotohanan. Dapat magkaroon ng masinsinang imbestigasyon, at dapat mapanagot ang sinumang may kagagawan sa kanyang pagkamatay.

'NAGAGAMIT ANG ORAS NG IMPEACHMENT COURT SA PAGTATANGGOL PO NG SARILI NG ILAN SA MGA KASAMAHAN NATIN'

Senator-judge Erwin Tulfo expressed concern over some senator-judges using the impeachment court to raise issues unrelated to Vice President Sara Duterte's impeachment trial.

"This is not the right forum and the right venue, and not the right time to explain your situation," he stated.

This was after Senator Robin Padilla made a manifestation to respond to Ombudsman Jesus Crispin Remulla's statement that he had been ignoring the complaint filed against him over alleged assistance in Senator Bato dela Rosa's escape.

The first-ever halftime show at a World Cup final is in the books.

The fast-paced interlude featured a memorable performance from Shakira, a turn by a guitar-strumming Justin Bieber, BTS performing their hit "Dynamite," and an appearance from iconic popstar Madonna. Oh, and don't forget the Muppets, Chris Martin, "Ted Lasso" actors Jason Sudekis and Brendan Hunt, Gustavo Dudamel, the New York Philharmonic, Venezuela's Simón Bolívar Symphony Orchestra, and a performance by a group of singing children.

‘IT IS USELESS TO ARGUE A LEGAL POINT WITH A NON-LAWYER’

Senator Alan Peter Cayetano quotes former senator Joker Arroyo as he defends Senator Robin Padilla for stating he submitted a counter-affidavit before the Ombudsman during the impeachment trial on Monday.

This comes after Senator Erwin Tulfo stated that some senator-judges are using the impeachment court to raise issues unrelated to Vice President Sara Duterte's trial.

“Regarding the waste of time here, sabi ni senator Joker Arroyo, ‘It is useless to argue a legal point with a non-lawyer.’ When Senator Marcoleta brought that up here, nagkaroon ng commotion. Senator Miriam [Santiago] stood up here many times and said, ‘Kaya ka nga nag fo-four years na law school at nag ba-bar,’” he said on Monday.

“Kwe-kwestiyunin niyo si Senator Padilla, it was all over the news na hindi niya inintindi or he snubbed the Ombudsman... Senator Padilla just stood up to say sumusunod sya sa batas,” he added. (Screenshots/Senate)

Senator-judge Francis Pangilinan supported Senator-judge Vicente Sotto III's motion to take matters not related to the impeachment court during a Senate session.

Senator-judge Alan Peter Cayetano objects, citing Senate rules. According to Cayetano, Rule 6 says the provisions of the law of the Senate and the revised Rules of Court shall apply suppletorily and whenever applicable. He points out that in the Rules of the Senate if a senator-judge is threatened, he can rise on a point of personal and collective privilege.

Senator-judge Francis Pangilinan rebuts this, says Rule 6 of the impeachment rules refers to evidence and not privileged speeches.

"Let us not abuse the liberality of the court," Pangilinan adds.

Presiding Officer Francis Escudero rules that Senator-judge Robin Padilla's manifestation will not be expunged from records, and will be referred to a Senate panel, citing precedent.

He also asks the indulgence of the parties because Congress is not yet in session and this is the only time senator-judges have to speak.

Escudero points out, however, that the proper

'WALANG GHOST PROJECT SA TAGUIG'

Iyan ang sagot ni Sen. Alan Peter Cayetano sa sinabi ni Sen. Ping Lacson na may ghost project din umano sa Taguig kung saan namuno si Cayetano bago naging senador.

Huwag siyang mainip, meron ding ghost [project] sa Taguig.
Out of his P6.79B budget insertions under the 2025 GAA, 68 out of the 70 projects were implemented. So, only 2 projects, equivalent to around P75M are left unreleased or unobligated. In short, a total of P6.715B ang nagastos. While you do the math, we will keep digging.
SEN. PING LACSON
JULY 18, 2026
Walang ghost project sa Taguig at kung may mapapakita kayo, mananagot. Pero nung sinundan namin ang GAA at sinundan namin ang mga pondo ng gobyerno, nando'n 'yung mga project.
Dalawa kasi ang ghost, 'di ba? Ang ghost is project at saka... people. Walang ghost sa amin, ghost na ghost project. At kung sasabihin niyang ghost ng Kuratong Baleleng... wala sa Taguig 'yon.

"The brightest warning light for Democrats in this year's election is the consistent finding in early national and state polls that they are not winning nearly as large a share of voters who disapprove of President Donald Trump's performance as they did during his first term," writes CNN's Ronald Brownstein.

"Paradoxically, that dynamic also could represent a major danger for Republicans if it proves unsustainable through November." | Analysis https://cnn.it/3T6Ozed

VIVA ESPAÑA! 🇪🇸⚽🏆

Muling pinagharian ng Spain ang mundo ng football matapos malusutan ang Argentina sa second half ng extra time, 1-0, sa Final ng FIFA World Cup 2026.

Naipasok ni Ferran Torres ang nag-iisang goal sa 106th minute ng laro para basagin ang mahigpit na depensa ng Argentina.

Ito na ang ikalawang World Cup title ng La Furia Roja matapos magkampeon noong 2010.

The first-ever halftime show at a World Cup final is in the books.

The interlude featured a memorable performance from Shakira, a turn by a guitar-strumming Justin Bieber, BTS performing their hit "Dynamite," and an appearance from iconic popstar Madonna. Oh, and don't forget the Muppets, Chris Martin, "Ted Lasso" actors Jason Sudekis and Brendan Hunt, Gustavo Dudamel, the New York Philharmonic, Venezuela's Simón Bolívar Symphony Orchestra, and a performance by a group of singing children.

What did you think of the World Cup halftime show?

Maraming mga Katoliko na galit sa simbahan ang naniniwala sa mga sinungaling na gumamit ng AI para ipakalat ang picture para lalong magalit ang mga DIEHARD DUTERTE SUPPORTER sa simbahan. Maaaring inaalala ang mga biktima dahil sa pag tindig ng simbahan laban sa PAGPATAY NG WALANG PROSESO ng EJK pero hindi para gawing SANTO.

At nililinaw din ng simbahan na sa EJK sila nagsasalita dahil ang estado o gobyerno ang gumagawa ng pagpatay. 'BAKIT SIYA NAGTATAKA, EH MAY REAL ESTATE AKO?'

Sinagot ni Sen. Erwin Tulfo ang isyu patungkol sa umano'y P400 milyong halaga ng kaniyang SALN bago pa man siya pumasok sa politika noong 2022, na kinondena ni Sen. Alan Peter Cayetano sa isang Facebook live kahapon, July 18.

Ayon kay Sen. Cayetano, base raw kay Jay Sonza "na napakatagal na sa media," walang tauhan ng media ang may ganoon kalaking kita.

Tugon naman ni Sen. Tulfo, nakuha niya ang pera dahil sa kaniyang real estate business na umusbong noong pandemya nang maraming nagbenta ng bahay at lupa.

'Di ba ang daming tumaas ang kilay nu'ng sinabi ni Sen. Erwin [Tulfo] na 'yung P400-M sa SALN niya... kinita niya nung media siya. Eh, nagsalita si Jay Sonza na napakatagal niya sa media and he was on primetime, wala pa siyang kilala ni isang media na ganoon kalaki [ang] kinita.
Bakit siya nagtataka, eh may real estate ako? 'Di ba pandemic? Ang daming nagbenta ng bahay [at] lupa nu'ng pandemic. Tapos may media consultancy bago ako nag-join.

Puwede na ba natin ipatawag ang BIR at tingnan lahat ng tax ni Sen. Erwin? Puwede na ba natin ipatawag ang AMLC at mga bangko?

'ONE GIANT LEAP FOR MANKIND'

#OnThisDay in 1969, NASA's Apollo 11 mission, crewed by Neil Armstrong, Michael Collins, and Edwin "Buzz" Aldrin, lands on the moon.

Armstrong was the first person to step on the lunar surface, uttering the famous quote "That's one small step for a man, one giant leap for mankind." He was followed by Aldrin, while Collins stayed in lunar orbit. The mission later concluded on July 24 as it splashed down at the Pacific Ocean.

WORLD CUP FINAL IN BAROTAC NUEVO

Before heading to the office, we stayed up through the early hours of the morning to watch the FIFA World Cup 2026 Final in Barotac Nuevo.

Football has always been about more than the final score. It is a game that brings communities together through passion, pride, and shared moments. In Barotac Nuevo, football enthusiasts, players, families, and supporters from neighboring municipalities gathered for the public viewing, once again proving why the Football Capital of the Philippines continues to live and breathe the beautiful game.

As an avid Lionel Messi fan, my heart was naturally with Argentina. While I also proudly cheered for Spain during UEFA Euro 2024, this World Cup Final was different. Like many football supporters, I celebrated every moment, hoped until the final whistle, and accepted the result with respect.

Congratulations to Spain on a well-deserved World Cup championship, and congratulations as well to every fan who made the early morning memorable through sportsmanship, excitement, and an [illegible] football.

Congratulations to Spain on a well-deserved World Cup championship, and congratulations as well to every fan who made the early morning memorable through sportsmanship, excitement, and an unwavering love for football.

My heartfelt appreciation goes to Congressman Ferjenel Biron and Mayor Bryant Paul Biron for bringing our football community together through this memorable gathering.

I was also delighted to share this experience with SB Member Jessie Sazon, SB Member Katsupoy Bearnod, SB Member Ernesto Brillantes, Liga President Noel Brillantes, and Liga President Sherwin Peñaranda of Pototan.

Football reminds us that while only one team lifts the trophy, everyone who shares in the passion becomes part of something greater. That is why it will always be the beautiful game.

"NANINISI SIYA NG IBA"

Palace Press Officer Usec. Claire Castro calls out Senator Alan Peter Cayetano for saying that President Marcos rejected his previous bill proposing to give P10,000 to each family.

"Itong panukalang P10,000 na ayuda sa bawat pamilya, ay isinulong ito nung sya pa ay miyembro ng Kongreso. At nung hindi ito umuusad ang una niyang sinisi rito ay si Congressman Alfred Vargas. Kasi lumalabas na laging siyang walang sala," Castro said on Monday.

"Nung May 14, 2021, noon pa ito ipinapanukala, pero hindi ito umandar, hindi umusad kaya naninisi ng iba. Hindi pa po pangulo si Pangulong Marcos Jr. dito," she added.

Representatives from a state university, a church ministry, and a non-government organization paid a courtesy visit to Governor Arthur Defensor, Jr. to discuss the development of a Social Media Literacy Module as part of the Province of Iloilo's PRIME TIME program.

The visitors included Dr. Jeanette Simpas, RGC, of the Care Counseling Ministry of Jaro Cathedral; Dr. Shiela Mae C. Quero, Chair of the Broadcasting Division of the College of Communication, West Visayas State University; and Prof. Ma. Rosario Victoria De Guzman, Socio-Civic Coordinator of the Tawili Foundation for Social and Educational Development. They were joined by First Lady Michelle Defensor.

During the meeting, Governor Defensor shared the goals of the PRIME TIME program and discussed areas where the partner organizations could provide support in its implementation. The proposed Social Media Literacy Module aims to help learners identify and respond to fake news, pornography, and bullying while promoting responsible social media use through school-based counseling and education.

🚂 PANAY RAILWAY: NOON VS. KUNG ITATAYO MULI NGAYON

Mahigit isang siglo na ang nakalipas, nagawa nating magkaroon ng railway na nag-uugnay sa Iloilo at Capiz. Ngayon, nananatili ang tanong—kung muling itatayo ang Panay Railway sa panahon natin, magkano kaya ang kakailanganin?

💰 POSSIBLE MODERN REBUILD: An earlier estimate for the proposed 117-km Iloilo–Roxas Phase 1 was around US$1.5 billion, or roughly ₱85–90+ billion depending on the exchange rate. The actual cost today could be different and would depend on the final design, right-of-way, stations, rolling stock, and updated feasibility studies.

Isang napakalaking investment—pero maaari rin itong magdala ng mas mabilis na biyahe, mas magandang koneksyon, at bagong economic opportunities para sa Panay.

Kung mabibigyan ng pagkakataong maibalik ang Panay Railway, PABOR ka ba kahit bilyon-bilyon ang kakailanganing budget? At bakit? 🚆

👇 PABOR o HINDI? Comment ang sagot at dahilan mo.

Hindi ako naniniwalang maka-Duterte (DDS) si Joshua Garcia, at huwag natin siyang husgaan agad. Mukhang na-hack lang siguro ang kanyang pahina sa TikTok at Instagram, o kaya ay may ibang admin (co-admin) na DDS na nagpapatakbo din sa pahina, kaya nakapag-post ng mga pulitikal na sumasang-ayon sa mga kalaban, at sinubaybayan pa ang pahina ni Sara Duterte.

Alam kong hindi masyadong nakikialam si Garcia sa pulitika. Imposibleng magiging DDS siya, e isa rin siya sa mga artista na si Leni Robredo ang sinuportahan noong 2022, ganun din sina Julia Barreto at Kaila Estrada.

Pero itong larawan ay kuha sa Naga noong Hunyo 2024 na kung saang binisita niya at ng mga kasamahang artista si Robredo, panahon iyun ng paggawa ng mga eksena para isang pelikula. Hindi sana siya lalapit at magbigay ng respeto kay Robredo kung DDS siya.

"SALAMAT PRRD"

Pinag-uusapan ngayon sa social media ang mag-asawang NBI Director Melvin Matibag at Laguna 1st District Representative Ma. Rene Ann Lourdes Matibag matapos kumalat ang mga larawan nila na may suot na "Salamat PRRD" shirt.

Ang naturang "SALAMAT PRRD" concert ay isinagawa lamang sa huling buwan ng administrasyon ni dating Pangulong Rodrigo Duterte, habang ang pamamahagi ng mga shirt at pag-upload ng promotional materials ay naganap umano mga 2–3 buwan bago siya bumaba sa puwesto.

Dahil dito, kinukuwestiyon ng ilang netizens kung bakit ngayon lamang lumilitaw ang mga alegasyon kaugnay ng SEA Games 2019, gayong hanggang sa huling bahagi ng administrasyon ay nakikita silang sumusuporta kay PRRD.

Every year, millions of devout Catholics undertake a journey of faith to the Basilica of Our Lady of Guadalupe in Mexico City, making it the largest Catholic pilgrimage site in the world.

On December 12, the feast day of Our Lady of Guadalupe, the crowds swell dramatically. In peak years, estimates reach over 10 million pilgrims in a single day — one of the largest annual religious gatherings on the planet.

From remote villages in Latin America to cities across the United States, Europe, Asia, and beyond, believers travel by foot, bus, bicycle, and even on their knees to honor the Virgin Mary.

In 1531, the Blessed Virgin appeared to the humble indigenous saint, St. Juan Diego, on Tepeyac Hill. She left her miraculous image imprinted on his tilma — a simple cactus-fiber cloak that scientists still cannot fully explain. The image has survived centuries, including a 1921 bomb attack that left it untouched. Today, this sacred relic continues to draw hearts from every nation, culture, and language.

Our Lady of Guadalupe is not only the Patroness of Mexico and the Americas but a universal Mother who said, “Am I not here, who am your Mother?” Her message of compassion, dignity,

Mother?” Her message of compassion, dignity, and hope resonates powerfully in our modern world.

Whether you visit in person or through prayer, millions find strength, healing, and renewed faith at her shrine. 🙏

Have you ever made a pilgrimage to Guadalupe, or felt her maternal intercession in your life? Share your story or favorite devotion in the comments!

HINDI SUMUSUNOD SA BATAS?

Nag-manifestation si Sen. Robin Padilla matapos umano siyang paratangang hindi umano sumusunod sa batas.

Kasunod ito ng anunsyo ni Ombudsman Boying Remulla na hindi umano pinansin ni Padilla ang summons para maghain ng counter-affidavit kaugnay ng obstruction of justice complaint laban sa kaniya.

“Nag-file po kami,” ayon sa senador.

"Let us not abuse the liberality of the court," Pangilinan adds.

Presiding Officer Francis Escudero rules that Senator-judge Robin Padilla's manifestation will not be expunged from records, and will be referred to a Senate panel, citing precedent.

He also asks the indulgence of the parties because Congress is not yet in session and this is the only time senator-judges have to speak.

Escudero points out, however, that the proper forum to discuss allegations against senator-judges is during session which will resume next week. #VPOnTrial (📷: Senate of the Philippines/YouTube) | via Victoria Tulad, ABS-CBN News

'I DO NOT HAVE 4 YEARS OF LAW, BUT I HAVE 29 YEARS OF LAWMAKING'

Senator-Judge Vicente "Tito" Sotto III on Monday said this as he called on presiding officer Chiz Escudero to refer the manifestations of Senator-Judges Robin Padilla, Erwin Tulfo and Alan Peter Cayetano to the Senate proper instead of the impeachment court.

This comes after Padilla raised in his manifestation that the Office of the Ombudsman had accused him of not submitting his counter-affidavit in relation to the obstruction of justice complaint filed against him.

Presiding Judge Chiz Escudero later ruled that the manifestation of Sen.-Judge Robin Padilla will remain in the records, and added that they will tackle the issue once they open as a regular session.#VPonTrial

THE FOUR MARIAN DOGMAS OF THE CATHOLIC CHURCH... See more

THE ESSENTIAL TRUTHS OF MARY'S IDENTITY
FOUR MARIAN
DOGMAS
Mary the Mother of God (Theotokos)
Jesus Christ is fully God and fully man. Because Mary gave birth to Jesus, the Church proclaims her as the Mother of God (Theotokos), as affirmed by St. Elizabeth: "The mother of my Lord" (Luke 1:43). This dogma was defined at the Council of Ephesus (A.D. 431).
Mary's Perpetual Virginity
Mary conceived Jesus by the power of the Holy Spirit and remained a virgin before, during, and after His birth. This dogma was defined at the Lateran Council (A.D. 649) and reaffirmed by the Second Vatican Council.
The Immaculate Conception
From the first moment of her conception, Mary was preserved from original sin by God's grace and through the merits of Jesus Christ. This dogma was solemnly defined by Blessed Pope Pius IX in Ineffabilis Deus (1854).
The Assumption
After completing her earthly life, Mary was assumed body and soul into heavenly glory. This dogma was solemnly defined by Pope Pius XII in Munificentissimus Deus (1950).

THE FOUR MARIAN DOGMAS OF THE CATHOLIC CHURCH

The Catholic Church teaches four Marian dogmas—official truths of the faith that every Catholic is called to believe. These are the Divine Motherhood, the Perpetual Virginity of Mary, the Immaculate Conception, and the Assumption of the Blessed Virgin Mary.

Far from taking attention away from Christ, these dogmas highlight God's saving plan and the unique role Mary was given in the mystery of salvation. They remind us that Mary is the Mother of God, remained ever-virgin, was preserved from original sin by God's grace from the first moment of her conception, and, at the end of her earthly life, was assumed body and soul into heavenly glory.

Blessed Virgin Mary, pray for us!

London Tipton and Kevin McCallister ending up together is the perfect crossover.

It is honestly perfect that the hotel heiress from The Suite Life ended up engaged to the kid who turned a luxury hotel stay into complete chaos in Home Alone 2. 😂🏨

Fans have jokingly called their relationship the “ultimate merger of hospitality and chaos.” One became a Disney Channel icon as London Tipton, the spoiled heiress to a hotel empire, while the other became a Christmas legend as Kevin McCallister, who checked into New York’s Plaza Hotel alone and caused unforgettable trouble.

The couple began dating in 2017, became engaged in 2022, and now share two children—bringing two completely different pieces of childhood nostalgia together in one surprisingly perfect real-life love story.

The Tipton Hotel finally found the one guest it could never control. 😭

‘WALA AKONG KINIKILINGAN DITO’

Senator Pia Cayetano talks about the importance of due process as the impeachment court discusses whether to open the bank records and financial transactions of Vice President Sara Duterte and her husband Manases Carpio.

“This is the essence of the principle of due process. This is ingrained in our Constitution. Totoo po na karapatan ng gobyerno at obligasyon ng gobyerno patakbuhin ng maayos ang gobyerno, but it is always with the due respect to the rights of every individual Filipino,” she said on Monday.

“I want to hear both ha, wala akong kinikilingan dito, I’m just explaining na ‘yun ‘yung argument ng defense na walang due process, kulang. At why prosecution would you say na nasusunod ‘yung due process,” Cayetano added. (Screenshots/Senate)

The United States is the country with the fourth-largest Catholic population in the world, with over 50 million baptized Catholics. While the faith is present nationwide, certain states stand out for their high concentrations of Catholics.

Here are the top states by percentage (based on recent religious census and Pew data):

▶️ Rhode Island: ~39-63% Catholic — the highest in the nation, with a strong historic presence.

▶️ Massachusetts: ~49-53% Catholic, home to vibrant communities shaped by Irish and Italian immigration.

▶️ New Jersey: ~40% Catholic.

▶️ New York: Significant numbers, around 35-40%.

▶️ Connecticut, Louisiana, Illinois, and California also boast large Catholic populations.

In absolute numbers, states like California (millions of Catholics), Texas, New York, and Florida have the largest total Catholic populations due to their overall size and Hispanic communities.

Jul 20, 2026 3:15:09 PM

Florida have the largest total Catholic populations due to their overall size and Hispanic communities.

These concentrations reflect waves of immigration and cultural heritage. Northeast states preserve European Catholic roots, while the Southwest and South reflect growing Latino influence. Despite challenges like secularization, Catholic institutions — schools, hospitals, and charities — remain pillars of service.

The Church in the U.S. continues to grow in diversity and missionary zeal, with strong devotions to the Eucharist, Mary, and the Saints.

Where is your diocese or parish? How is the Catholic faith lived in your area? Share below and let's celebrate the global yet local Body of Christ!

Gospel of the Day (Matthew 12,38-42)

Some of the scribes and Pharisees said to Jesus, "Teacher, we wish to see a sign from you. "

He said to them in reply, "An evil and unfaithful generation seeks a sign, but no sign will be given it except the sign of Jonah the prophet. Just as Jonah was in the belly of the whale three days and three nights, so will the Son of Man be in the heart of the earth three days and three nights.
At the judgment, the men of Nineveh will arise with this generation and condemn it, because they repented at the preaching of Jonah; and there is something greater than Jonah here.
At the judgment the queen of the south will arise with this generation and condemn it, because she came from the ends of the earth to hear the wisdom of Solomon; and there is something greater than Solomon here."

JUST IN: A new world champion has been crowned! 🏆🇪🇸
Spain have defeated Argentina 1-0 after extra time to win the 2026 FIFA World Cup, ending one of the most anticipated finals in recent history.
After a tense, scoreless battle through 90 minutes, Ferran Torres broke the deadlock in extra time to hand Spain their second World Cup title and deny Argentina back-to-back championships.
It was a heartbreaking end to Lionel Messi's World Cup journey, while Spain's new generation, led by stars like Lamine Yamal, etched their names into football history with a championship that fans will remember for years.

Christopher Nolan's highly anticipated epic The Odyssey is already generating debate, but not because of its cast or visual effects. Instead, historians and mythology enthusiasts are questioning the film's costume design after the latest footage appeared to show the Laestrygonians wearing armor that resembles late medieval European plate armor rather than equipment inspired by the Bronze Age world of Homer.

The criticism focuses on the massive metallic breastplates, segmented armor, and overall aesthetic seen in the trailer. While visually striking, many argue the designs are historically out of place for a story set in the legendary era of the Trojan War, traditionally associated with the Mycenaean civilization of the 13th-12th centuries BC.

In Homer's Odyssey, the Laestrygonians are not described as medieval-style armored warriors. They are portrayed as a race of giant cannibals who destroy Odysseus' fleet by hurling enormous rocks from towering cliffs before attacking his men. Their terrifying nature comes from their immense size and brutality—not from sophisticated European-style armor.

Archaeological evidence from Mycenaean Greece paints a very different picture of warfare

Jul 20, 2026 3:18:27 PM

Archaeological evidence from Mycenaean Greece paints a very different picture of warfare during the period. Elite warriors wore bronze cuirasses, boar's tusk helmets, large figure-eight or tower shields in earlier periods, and later bronze round shields and greaves. The famous Dendra Panoply, discovered in the Argolid and dating to around 1400 BC, represents one of the closest surviving examples of Bronze Age armor. Even this impressive suit bears little resemblance to the full plate armor that became common in Europe more than two thousand years later.

Many viewers argue that the armor shown in Nolan's film evokes the 14th or 15th century rather than the Late Bronze Age. While filmmakers often take artistic liberties, critics believe that such an iconic story rooted in ancient Greek mythology deserves designs that reflect the unique visual identity of Mycenaean Greece instead of borrowing aesthetics from medieval Europe.

Whether the armor belongs exclusively to the Laestrygonians or is part of a broader stylistic choice remains to be seen when The Odyssey reaches theaters. However, the first images have already sparked an intense discussion over historical authenticity and whether one of cinema's most celebrated directors has sacrificed archaeological accuracy in favor of a more familiar fantasy-inspired look.

Senator-judge Pia Cayetano asks both parties if the Stonehill v. Diokno case applies to the issuance of the subpoena of tax records of Vice President Sara Duterte and her husband, Atty. Manases Carpio.

House impeachment prosecutor Rep. Chel Diokno says that the case is different from the issuance of the subpoena, as a search warrant is invasive, and limitations should be placed.

Cayetano follows up, saying that the subpoena can also be invasive.

Diokno says evidence gathered through a search warrant is already considered evidence by the court. A subpoena is different because records produced are not yet considered as evidence.

Diokno also says Senator Juan Ponce Enrile, when he was presiding officer in the Corona impeachment trial, pointed out that a subpoena will only produce the documents; admissibility will be determined after.

Diokno says their camp has satisfied the "standards of relevance and materiality" in its motions to subpoena the bank and tax records of Vice President Sara Duterte.

Diokno says their camp has satisfied the "standards of relevance and materiality" in its motions to subpoena the bank and tax records of Vice President Sara Duterte.

Defense counsel Michael Poa agrees that the said case is directly applicable to the subpoena of records. He also insists items in a subpoena "must be particularly described," accusing the prosecution of "asking for everything" in their motions, which they call a fishing expedition. #VPOnTrial (📷: Senate of the Philippines/YouTube) | via Victoria Tulad, ABS-CBN News

SUNDAY NIGHT PRAYER IN EXPECTATION OF A GREAT WEEK AHEAD 🙏

Heavenly Father, as this Sunday comes to an end, I kneel before You with a grateful heart. Thank You for carrying me through the past week.

Lord, tonight I place the entire week ahead into Your loving hands. I do not know everything that tomorrow will bring, but I know the One who holds tomorrow.

Father, go before me.

Prepare the way before me.
Open the doors that no one can shut.
Close every door that is not according to Your will.
Order my steps and direct my decisions.
Give me wisdom when I must choose.
Give me courage when I must act.
Give me patience when I must wait.

Lord Jesus, I expect great things from You—not because everything will be easy, but because I know that You will be with me through everything.

May this new week bring new opportunities,

Jul 20, 2026 3:24:21 PM

May this new week bring new opportunities, divine connections, unexpected favour, answered prayers, breakthroughs, healing, restoration, and testimonies.

Where I have experienced delay, bring Your perfect timing.
Where I have experienced disappointment, bring new hope.
Where I have experienced failure, give me another opportunity.
Where I have experienced loss, restore what is according to Your will.
Where I have been weak, renew my strength.
Where I have been confused, give me clarity.

Lord, bless the work of my hands. Bless my family, my health, my relationships, my ministry, my studies, my business, and every good endeavour I undertake.

Let this be a week of divine order.

May every day carry a special grace.

On Monday, give me a fresh beginning.
On Tuesday, strengthen my faith.
On Wednesday, renew my hope.
On Thursday, increase my wisdom.
On Friday, bring breakthroughs.
On Saturday, fill me with gratitude.
And on Sunday, bring me back to Your altar with a testimony.

Jul 20, 2026 3:24:23 PM

On Friday, bring breakthroughs.
On Saturday, fill me with gratitude.
And on Sunday, bring me back to Your altar with a testimony.

Tonight, I release every worry about tomorrow. I refuse to be afraid of what I cannot control. I place my future in Your hands.

I believe that something good is coming.
I believe that God is working behind the scenes.
I believe that my prayers are not in vain.
I believe that my story is still being written by God.

I sleep tonight in peace, knowing that tomorrow is already in Your hands.

Father, I am ready for the blessings You have prepared for me.
I am ready for new beginnings.
I am ready for new opportunities.
I am ready for divine surprises.
I am ready for my testimony.

May I walk into this new week with a heart full of faith, a spirit full of hope, and a life surrendered completely to You.

May the Lord bless the week ahead.
May His face shine upon us.
May His favour surround us.
May His peace guard our hearts.
May His grace lead us.
And may His goodness and mercy follow us every day.

In the mighty name of Jesus Christ, I pray.

Amen.

Pinuna ni Senator-judge Erwin Tulfo ang paggamit ng oras ng impeachment court sa mga pahayag at paliwanag na aniya'y walang kinalaman sa kasong impeachment laban kay Vice President Sara Duterte.

Ayon kay Tulfo, kung may nais ipaliwanag o ipagtanggol ang sinuman, maaari itong gawin sa pamamagitan ng press conference, Facebook, o YouTube, hindi sa loob ng impeachment court.

"Huwag po nating gamitin ang oras ng impeachment court sa pagpapapaliwanag o sa pagtatanggol ng ating mga sarili... Because the time we waste here to defend ourselves... is an injustice to the Vice President. This is not the right forum," ani Tulfo.

'I DO NOT HAVE 4 YEARS OF LAW, BUT I HAVE 29 YEARS OF LAWMAKING'

Senator-Judge Vicente "Tito" Sotto III on Monday said this as he called on presiding officer Chiz Escudero to refer the manifestations of Senator-Judges Robin Padilla, Erwin Tulfo and Alan Peter Cayetano to the Senate proper instead of the impeachment court.

This comes after Padilla raised in his manifestation that the Office of the Ombudsman had accused him of not submitting his counter-affidavit in relation to the obstruction of justice complaint filed against him.

Presiding Judge Chiz Escudero later ruled that the manifestation of Sen.-Judge Robin Padilla will remain in the records, and added that they will tackle the issue once they open as a regular session.#VPonTrial

Senator-judge Erwin Tulfo asks the impeachment court if it allows non-impeachment issues to be discussed during the trial.

This after Senator-judge Robin Padilla manifested about the obstruction of justice complaint he's facing before the Office of the Ombudsman, which said the lawmaker ignored the order to file a counter-affidavit.

"Nagagamit ang oras ng impeachment court sa pagtatanggol ng sarili... ng ilang kasamahan natin sa mga akusasyon. This is not the right forum, the right venue, and not the right time to explain your situation... Huwag po nating gamitin ang impeachment court sa pagpapaliwanag o pagtatanggol ng ating sarili."

Tulfo calls such manifestations an injustice to Vice President Sara Duterte, insisting the trial is about hearing prosecution and defense arguments.

Tulfo: "Kung gusto niyo pong mag-esplika sa inyong saloobin o problema, maaari niyong gawin yan sa labas po ng oras ng impeachment court.

Maaa... nce... maaari rin po sa Facebook o sa YouTube magpaliwanag.

Tulfo: "Kung gusto niyo pong mag-esplika sa inyong saloobin o problema, maaari niyong gawin yan sa labas po ng oras ng impeachment court.

Maaari pong sa press conference... maaari rin po sa Facebook o sa YouTube magpaliwanag. Huwag po nating gamitin ang oras ng impeachment court sa pagpapaliwanag o sa pagtatanggol ng ating mga sarili simula pa po noong nakaraang lingo. Because the time we waste here to defend ourselves, defend what we believe or what have you, is an injustice to the Vice President.

This is not the right forum." #VPOnTrial (📷: Senate of the Philippines/YouTube) | via Victoria Tulad, ABS-CBN News

2 NASAGIP MATAPOS MA-STRANDED SA RUMARAGASANG TUBIG

Ligtas na nasagip ang dalawang menor de edad matapos ma-stranded sa rumaragasang tubig ng Balacbac Falls sa Barangay Sto. Tomas Proper, Baguio City, noong July 19, 2026, sa isinagawang water rescue operation ng Bureau of Fire Protection (BFP).

Parehong ligtas na naiahon ang dalawang biktima at walang tinamong anumang sugat.

Pinaalalahanan ng mga awtoridad ang publiko na maging maingat sa pagpunta sa mga ilog at talon, lalo na tuwing malalakas ang pag-ulan, dahil maaaring biglang tumaas ang lebel at lumakas ang agos ng tubig.

Senator Erwin Tulfo is not wrong here and we should be glad he called some of his colleagues out. Ang focus dito ay kung dapat pa bang manatili sa pwesto si Sara Duterte.

Hindi porke nakatutok ang taumbayan sa impeachment ay gagawin na itong tungkol sa sarili. Sabi mga ni Robin Padilla, harapin kung may kaso. Senators who have issues of their own are freeloading on the publicity. At sabi nga ng mga abogado, “Objection, your honor. Irrelevant!”

Ano mang isyu o kaso ng kahit sinong senador is irrelevant and ahould not be allowed.

I'm trying to identify a Japanese live-action horror anthology series that I watched on GMA's Midnight Horror Stories around 2017–2018 in the Philippines.

I remember two different stories:

Story 1: A taxi driver picks up a passenger late at night. During the ride, he realizes they've been driving for hours but never seem to reach the passenger's destination. The journey feels endless and supernatural.

Story 2 (the one I'm really looking for): A young woman and her friend (or companion) are trying to travel somewhere using a smartphone navigation app. However, no matter what destination they enter, the GPS keeps directing them to a cemetery. They try to change or reset the destination, but the navigation continues to route them there, making the situation increasingly creepy. I don't clearly remember how the story ends, but the main focus is the girl and the navigation app repeatedly leading them to the cemetery.

I'm not sure if both stories came from the same origin

Senator-Judge Tito Sotto on Monday urged impeachment court presiding officer Chiz Escudero to refer the manifestations of Senators Robin Padilla, Erwin Tulfo, and Alan Peter Cayetano to the Senate proper instead of allowing them to be taken up during the impeachment proceedings.

Sotto argued that the issues raised by his fellow senator-judges should be addressed by the Senate in its regular capacity, rather than by the impeachment court.

His motion came after Padilla used his manifestation to discuss an obstruction of justice complaint filed against him.

Tulfo, who responded to Padilla's remarks, appealed to fellow senator-judges to avoid using manifestations to raise matters unrelated to the impeachment case currently before the court.

Why Do Some Occult Practitioners Have Crucifixes, Images of Mama Mary, and the Saints?

The devil can misuse holy things to deceive people.

A crucifix, rosary, or image of Mama Mary or the saints is a Catholic sacramental. These are holy because they are blessed by the Church and are meant to lead us closer to Jesus.

However, some occult practitioners display these sacred objects while also practicing things the Church forbids—such as spirit invocation, fortune-telling, magical rituals, or secret prayers that are not part of the Church's tradition.

The problem is not the crucifix, the rosary, or the images themselves. The problem is that these holy objects are being used to make an occult practice appear Catholic and trustworthy.

The Church does not judge a practice simply by the objects on the altar, but by what is actually being done. If someone seeks supernatural power through spirits, magic, or divination instead of trusting in God alone, the practice is contrary to the First Commandment (CCC 2115–2117), even if Catholic prayers or sacred

If someone seeks supernatural power through spirits, magic, or divination instead of trusting in God alone, the practice is contrary to the First Commandment (CCC 2115–2117), even if Catholic prayers or sacred images are present.

True healing and deliverance come from Jesus Christ, especially through the Sacraments, prayer, and the ministry of His Church—not from occult practices disguised with Catholic symbols.

In the early years of evangelization in Mexico, three young indigenous boys — St. Cristóbal, St. Antonio, and St. Juan — became shining examples of courage and faith. Born around 1514–1517 in Tlaxcala, they were among the first converts taught by Franciscan missionaries.

St. Cristóbal (Cristobalito), son of a powerful chieftain, boldly destroyed pagan idols in his father's home. Enraged, his father beat him severely and threw him into a fire in 1527. The boy endured his suffering with forgiveness on his lips, dying as a faithful witness to Christ at about age 13.

Two years later in 1529, St. Antonio (a noble youth and interpreter for the missionaries) and his young servant St. Juan were caught destroying idols while assisting the friars. A furious crowd clubbed them to death. Their zeal for destroying false gods and proclaiming the Gospel cost them their lives.

These three teenagers are recognized as the first canonized martyrs of the American continent. Beatified by St. John Paul II in 1990, they were canonized by Pope Francis in 2017.

they were canonized by Pope Francis in 2017.

Their story reminds us that faith knows no age — even children can heroically choose Christ amid persecution. In a world that often opposes Christian values, their example calls us to stand firm with joy and charity.

Dear young martyrs, obtain for us the grace to love Jesus above all things and the courage to defend our faith. Pray for the youth of today, that they may be strong witnesses to the Gospel. 🙏

BREAKING: OMG! Dementia Don gets lost on stage at the World Cup trophy ceremony trying to photobomb the winners and has to be MOVED out of the way by FIFA's chief in an absolutely humiliating moment of confusion and incoherency!

He is SO out of it…

Inevitably, Trump demanded to be involved in the presentation of the FIFA World Cup trophy to the winning Spanish team but unfortunately wasn't quite up to the task.

While he was on stage, he naturally gravitated towards the middle of the stage…and then wouldn't leave.

FIFA president Gianni Infantino desperately tried to get him out of the way, eventually succeeding in maneuvering the aging pedophile to the side of the stage, where he just…kinda stood there like an AI bystander in a video game.

Even as more and more of his brain dribbles out of his ears with every passing minute, Trump jealously tries to steal the spotlight from REAL winners – because he is a sad, selfish little man with a validation complex the size of the Sun (of which he is jealous, because it is brighter than

Palace Press Officer Claire Castro calls out Senator Alan Peter Cayetano for saying that President Ferdinand Marcos, Jr. rejected his P10,000 cash aid proposal.

Castro says the lawmaker first floated the idea in 2021, before the current administration.

“Lumalabas na laging siya ang walang sala…. Naninisi siya ng iba… ‘Wag niyang ipahid sa ibang tao. Akuin niya mismo ang kaniyang kakulangan,” Castro adds.

LOOK: A Philippine Navy personnel suffered a serious head injury after being struck with a wooden baton by China Coast Guard personnel during an incident in Ayungin Shoal, West Philippine Sea earlier today, July 20.

According to the Armed Forces of the Philippines (AFP), the confrontation began when a China Coast Guard rigid hull inflatable boat (RHIB) approached the BRP Sierra Madre and was intercepted by two Philippine military rubber boats.

The AFP condemned the incident as a dangerous escalation in the West Philippine Sea, saying its personnel acted with “professionalism and discipline” while carrying out a lawful mission within the Philippines' exclusive economic zone.

Magkatulad ba talaga ang mukha sa Shroud of Turin at sa Divine Mercy image?

Ang Shroud of Turin ay telang sinasabing bumalot sa katawan ni Hesus, habang ang Divine Mercy image ay batay sa pangitain ni Saint Faustina.

Dahil sa kanilang kapansin-pansing pagkakahawig, may naniniwalang iisang tunay na mukha ni Hesus ang pinagmulan ng dalawa, habang para sa mga skeptiko, nagkataon lamang ang bagay na 'to.

Ano sa tingin mo, kaibigan?

LINO CAYETANO, TUTULONG SA PAGBUSISI SA TAGUIG 'GHOST PROJECTS?'

Nakarating daw kay Sen. Ping Lacson na interesado ang kapatid ni Sen. Alan Peter Cayetano na si Lino na tumulong sa pagbusisi sa umano'y ghost projects sa Taguig.

"Sa ngayon, 'di pa nase-set 'yung aming meeting. Hopefully, hindi magbago ang isip ni [Lino] Cayetano," saad ni Lacson.

"Kinlarify ko roon sa nagparating sa akin [kung] siya ba mismo ang nagsabi na gusto niyang makipag-ugnayan sa akin. Sabi niya, 'Yes.' Sabi ko naman, 'I'm willing,'" dagdag pa niya.

'KUNG GANITO ANG PAMANTAYAN NATIN, EDI BUKSAN NA NATIN LAHAT NG BANK RECORDS NATIN'

Senator-judge Robin Padilla argued that all of their bank records should be made public in the interest of fairness after the impeachment court granted the subpoena for Vice President Sara Duterte's bank and tax records.

"Bakit kung ganito ang pamantayan natin, edi buksan na natin lahat ng bank records natin. Lahat na. Tayong lahat ay buksan na natin lahat. Para maipakita sa taumbayan na wala tayong kinikilingan," he stated during the impeachment trial on Monday.

He also renewed his call for the passage of his Freedom of Information bill.

'BUKSAN NA NATIN LAHAT NG BANK RECORDS NATIN'

Tinutulan ni Senator-Judge Robin Padilla ang pag-subpoena sa bank records nina Vice President Sara Duterte at ng kaniyang asawa. Para umano maging patas, dagdag niyang dapat buksan rin bank records ng lahat ng senator-judges.

SIN-O ANG MGA ROMANOVS?
Sa depensa ni Vice President Sara Duterte sa iya impeachment case, ginhinambit ang ginatawag nga "Operation Romanov," nga ginasiling sang iya kampo nga pagpamahog batok sa pamilya Duterte, kag amo ini ang isa sa mga isyu nga gina-angot sa iya kontrobersyal nga mga pahayag batok kay President Ferdinand Marcos Jr., First Lady Liza Araneta-Marcos, kag kay former House Martin Romualdez.
Suno naman sa National Bureau of Investigation (NBI), si Davao City Mayor Sebastian Duterte ang una nga naghinambit sang "Romanov" sa isa ka rally sang 2024, nga gin-angot niya sa pamilya Marcos.
Ang House of Romanov amo ang naghari nga dinastiya sang Russia halin 1613 tubtob 1917.
Sang 1917, nagtalikod sa trono si Tsar Nicholas II sa tunga sang Russian Revolution.
Sang 1918, ginpatay sang mga Bolshevik ang bug-os nga pamilya imperyal, nga nagtapos sang paghari sang Romanov sa Russia.
Kilala ini sa kasaysayan bangud sa mga personalidad pareho nanday Peter the Great, Catherine the Great (nga nangin kabahin sang Romanov paagi sa kasal), kag Grand Duchess Anastasia.
Pagkaligad sang halos 300 ka tuig nga paghari, nagluya ang Romanov bangud sang gamo sa pulitika, problema sa ekonomiya, kag epekto sang World War I.

Naglabas ang pulisya ng larawan kung saan makikita ang labi ng vlogger na kinilala bilang si Alicia Lipata o Mima Alicia matapos pagbabarilin ng riding-in-tandem sa Caloocan City, madaling araw nitong Biyernes, July 17.

Batay sa inisyal na imbestigasyon ng Northern Police District (NPD), dalawang suspek ang tinututukan kaugnay ng pamamaril habang patuloy namang inaalam ang posibleng motibo sa naturang krimen.

Andy Burnham officially succeeded Sir Keir Starmer as UK prime minister on Monday July 20.

Starmer gave a farewell speech in front of 10 Downing Street — the seat of the prime minister — before formally tendering his resignation to King Charles III.

The monarch subsequently met with Burnham and instructed him to form a government.

Burnham, the former mayor of Greater Manchester, had secured the leadership of the ruling Labour party on Friday, automatically becoming PM without the need for fresh elections.

He has now become the UK's seventh prime minster in the last 10 years.

Wala talagang self-awareness itong mga DDS ano. Imagine ha, si LANS na isang content creator lamang (not a government official) ay nakarating na sa Pag-asa Island at isigaw na atin ang West Philippine Sea. Yung idol ng mga DDS na nangakong mag-jetski papuntang WPS, wala. Anim na taong naging presidente pero ni anino hindi nakaapak sa WSP. Tapos ngayon, tinitira ng mga DDS si LANS. Masakit ba na mas matapang pa yung batang content creator keysa sa Tatay niyo?

PRESS FREEDOM WATCH: Former SunStar Cebu editor-in-chief Marchel Espina surrendered to authorities earlier this week for an unjust vexation charge over an opinion piece on the local paper published in December 2024.

The complaint was filed by a Batangas-based Iglesia Ni Cristo district supervising minister who alleged that the article caused him annoyance, irritation, torment, distress and disturbance.

In a statement on the day of her arrest, Espina said her case "raises important concerns about the use of criminal complaints against journalists and editors in relation to their work" and how it has a "chilling effect on press freedom."

"While every person has the right to seek legal remedies, the legal process should never be used to discourage independent journalism and reporting in the public interest," she wrote.

Media groups slammed Espina's arrest, including the National Union of Journalists of the Philippines (NUJP), and the Negros Island Region chapter of the College Editors Guild of the Philippines (CEGP).

Media groups slammed Espina's arrest, including the National Union of Journalists of the Philippines (NUJP), and the Negros Island Region chapter of the College Editors Guild of the Philippines (CEGP).

NUJP asserted that the former SunStar Cebu editor was not afforded due process as she was belatedly informed of the arrest warrant and was not given the chance to file a counter affidavit.

"Any group or individual engaging in obvious political activities should not be onion-skinned when subjected to public scrutiny. Journalists report on matters of public interest, including supposed religious activities in support of certain politicians," it said.

CEGP-NIR, meanwhile, said that the lawsuit against Espina shows how legal mechanisms are weaponized to suppress the media.

"When the law is wielded not to uphold justice but to intimidate members of the press, it creates a chilling effect that discourages critical reporting and weakens the public's right to information," the guild said.

The Presidential Task Force on Media Security (PTFOMS) also raised concern about Espina's arrest, insisting that "laws must never be weaponized to suppress journalists from

The Presidential Task Force on Media Security (PTFOMS) also raised concern about Espina's arrest, insisting that "laws must never be weaponized to suppress journalists from performing their professional duties as truth-tellers and reporting on matters of public concern."

It added that it will follow closely developments on the case.

Espina was able to post bail on the same day, July 17. She says it is only the first stage, as she has yet to face more hurdles in reaching the conclusion of this legal battle.

"The next stage will be much more challenging. The arraignment and the hearings will be conducted in Batangas, yes, miles away from Bacolod… I will have to fly back and forth to Batangas to attend the court proceedings."

As of this morning, I'm still counting informants and witnesses, directly or through intermediaries, willing to provide information and evidence to put him in his proper place - the Payatas, QC jail.

Let me correct Sen Alan Cayetano's latest live selling on FB using wild insinuations and black propaganda against me.

Hindi nag-doble ang net worth sa SALN ko in 2025 compared to 2022 when I left the Senate. Actually, more than four times ang increase at P244.9M compared to P58.7M in 2022 - the year I left government.

Whatever money I have, I definitely earned legitimately through some real estate deals and other legitimate businesses with 2 other business partners as a private individual, and I paid P10.5M and P2.8M respectively as reflected in my ITR's.

Unlike Sen Cayetano with P6.79B in budget insertions under the 2025 GAA, wala akong insertions a.k.a. pork barrel since I became a senator. At lalong wala akong 25% kickback sa mga slope protection and other infra projects. I don't know about him, but I have consistently refused lobby monies in relation to my job as a legislator.

And yes, re Blue Ribbon hearings, huwag siyang mainip, meron ding ghost sa Taguig.

@iampinglacson

Out of his P6.79B budget insertions under the 2025 GAA, 68 out of the 70 projects were implemented. So, only 2 projects, equivalent to around P75M are left unreleased or unobligated. In short, a total of P6.715B ang nagastos. While you do the math, we will keep digging.

Tolerated or not, their city engineer, a self-styled BGC boy, is using 2 aliases in casinos and has a lifetime win-loss record of almost P0.5B in just one of several casino hotels in Metro Manila.
